

Student Feedback Form

Throughout this document, Australian Tertiary Institute will be referred to as ATI. Gaining feedback regarding your experiences during the enrolment process is vital for ATI to continue to develop its processes. This evaluation also allows us to better structure our pre-course processes, and ensure they better suit the needs of our students. Please help us by completing this course evaluation form. This evaluation has been split into two parts. Part One asks for feedback on the enrolment process and Part Two asks for feedback on your experience and expectations.
